INDEMNIFICATION FOR LOSSES.

GEORGE R.

WHEREAS We have thought fit to consolidate and amend the Regulations respecting claims to Indemnification for Losses sustained by Officers and Men belonging to Our Land Forces; It is Our Will and Pleasure that from and after the 21st August, 1829, the Regulation annexed to this Our Warrant shall supersede all Prior Rules and Orders hitherto in force on this subject, and be the sole Regulation on this Head; and shall not be altered unless We are pleased to signify Our Pleasure to that Effect through Our Secretary at War.

Given at Our Court at Windsor, this Nineteenth day of August, 1829, in the Tenth Year of Our Reign.

By His Majesty's Command,
H. HARDINGE.

Regulation

For the Indemnification of Losses, referred to in His Majesty's Warrant of 19th of August, 1829.

1.

The principle upon which Allowances for Losses on Service are granted, is that of enabling Individuals to re-equip themselves for the Field; they are therefore not to be considered as given for the purpose of making good the full amount of Loss sustained.

2.

In estimating the amount of indemnification to be granted, regard shall be had to the extent of Equipment required by the Orders of the General Officer in Command, or to the restrictions he may choose to impose, according to the nature of the Service on which the Claimant was employed when the Loss occurred.

3.

Indemnification shall invariably be confined to Losses which have been altogether unavoidable, and will be granted in the following cases only, viz.

Losses in Action with the Enemy;
By accidental Fire;
By Shipwreck;
By Capture at Sea;
By the Destruction or Capture of a public Store-house;
Or by the destruction of Articles or Horses, to prevent their falling into the hands of the Enemy;
Or to prevent the spreading of an infectious disorder;

Provided that in all these cases the Articles or Horses were placed in the situation in which the Loss occurred, under the sanction of proper authority; that every exertion was used to prevent the Loss; that the Order for their destruction was issued by competent Authority; and that the Horses were destroyed with all possible promptitude.

4.

No claim can be admitted in the following cases:—

Losses from desertion;

From Articles having been improperly packed, placed, or left in improper situations;

From the Death of Horses and Mules by Fatigue in the ordinary course of service;

From the breaking down of Carriages;

From the loss of Accoutrements, Clothing, or Necessaries in Hospitals; or

From any circumstances whatever which might have been prevented by proper care and attention on the part of the Regiment, or of the Individual, or of his Servant, Bàtman, or other Person in charge.

No claim can be admitted from the Representatives of Officers, or Men slain in Action, or dying in consequence of wounds.

5.

Whenever Baggage or Articles of Equipment are sent by a Vessel in which the Officer to whom they belong is not himself a Passenger, it is incumbent upon such Officer to protect himself against Loss by effecting an Insurance thereupon; and if he has an opportunity of doing so, and neglects to avail himself of it, no compensation will be given by the Public for any Loss that may happen.

If any Loss shall occur under circumstances which give the Officer a claim to indemnification from the Party through whose fault it happened, no Allowance for such Loss will be given by the Public; but should the Officer desire it, and lose no time in making application to the Officer Commanding His Majesty's Forces on the spot, a Board will be convened to afford every possible assistance in substantiating the claim, by making the necessary Enquiries and obtaining proper Documents to prove the facts of the case.

6.

If the General Officer Commanding the Forces on the spot shall be satisfied, on inquiry, that Losses have been unavoidably sustained, which in his opinion may admit of Compensation on the general principles laid down in this Regulation, though not precisely specified therein, he shall be at liberty to make a special representation thereof, transmitting the necessary Proofs to the Secretary at War for final decision.

7.

When Losses occur on Service in the Field, the General Officers in Command shall assemble, with all convenient dispatch, Boards for the Investigation of Claims arising out of those Losses; which Boards are to be guided by the Principles laid down in this Regulation, and they are to require the several proofs to be laid before them in the forms hereinafter prescribed; and the whole of their Proceedings, or certified Copies thereof, are to be transmitted to the General Officer Commanding the Forces for his observations and opinion, and by him forwarded to the Secretary at War for final decision.

With Armies in the Field, where it may be advisable to come to an immediate and final settlement of Claims—such as for Horses killed in Action—the Secretary at War will, by his Instruction to the Generals Command-

ing such Armies, whenever he may consider it necessary to issue any, define the special cases in which Compensation may be granted on the spot by the Authority of the Commander of the Forces.

8.

Any other claims than those for Losses in the Field can seldom occur.

Whenever a claim for Losses in the Colonies is brought forward, it is in the first instance to be investigated by a Board on the spot, convened by order of the General or other Officer Commanding; and the Proceedings are to be transmitted as soon as possible to the Secretary at War.

9.

If an Officer or Soldier shall have neglected to bring forward his claim for a period exceeding one month from the date of his Loss, this delay shall be considered a sufficient reason for rejecting the claim, however valid it may be in other respects, unless the Claimant can prove that he was unavoidably prevented from making an earlier claim.

Regimental Losses.

10.

Colonels of Regiments being responsible for the delivery of all Clothing and Appointments to their Regiments, in the first instance no indemnification shall be granted for Articles of Clothing sent out to a Regiment Abroad, and lost before they are received and inspected by the Regimental Committee according to the Clothing Regulations.

11.

A Colonel claiming indemnification for Clothing lost or destroyed on Service, shall be required to show, that, during the period for which the Claim is made, he has actually provided and forwarded Clothing for a greater number of Men than he was allowed to assign for; and in that case he may claim according to the extent of his actual and necessary Expenditure for the numbers exceeding those for whom the Allowance was granted in his Assignment.

The Forms of Claims for Clothing lost, with the Certificates and Documents by which they are to be supported, are contained in the Appendix, Nos. I. and II.

12.

All admissible Claims for Accoutrements and Appointments lost or destroyed on Service, shall be settled by allowing three-fourths of the proper Expense of the Articles actually and necessarily provided to replace the loss; but in all cases where Arms, Accoutrements, and Appointments shall be lost on the Field after an Action, the responsible Officer in Command of the Regiment or Detachment shall prove that he caused every possible exertion to be made to collect and preserve those Equipments, and in default of such proof the Claim shall be rejected.

Claims on account of Accoutrements and Appointments are to be made out and certified according to the Form in the Appendix, No. III.

Personal Losses of Officers.

13.

The Claims of all Officers to Compensation for Baggage, or Camp Equipage, lost on Service, shall be made out and certified according to the Form in the Appendix, No. IV.

Digitized by Google

14.

The whole Equipment of Officers of the several Ranks on Service with an Army in the Field, in Personal Baggage, Horse Equipments and Camp Equipage, including the Articles in wear, shall be valued according to the scales in the Appendix, A. B. and C.

The Compensation for the whole, or any part of such Equipment, shall not exceed two thirds of the estimated original value of the Articles lost, as laid down in the Scales; each of which Articles, and their value, shall be separately and distinctly stated by the Claimant.

15.

If Losses should occur in other situations where a greater extent of Equipment is absolutely required by the nature of the Service, the actual amount of Loss suffered, and the circumstances attending it, may be specially stated to any Board appointed for the investigation of Losses; such Board proceeding in the investigation of the Claim upon the same principle, and subjecting it to the same deduction as in the preceding Article.

The opinion of such Board will be forwarded for the consideration of the Secretary at War.

16.

No Compensation shall be granted for Losses sustained by Officers when proceeding on, or returning from Leave of Absence.

17.

No Claim shall be admitted on account of the Loss of Money, being the private property of Individuals; but in special cases, where Public Money which has regularly been received by Individuals, and has unavoidably remained in their hands, shall be lost on Service, application for indemnity may be made according to the Form in the Appendix, No. V.; such Applications being supported by the several Certificates and Documents there specified.

Loss of Horses.

18.

The Allowances for the Loss of Horses shall be granted according to the actual cost of each Horse, not exceeding the following Rates, viz.

		£.
General Officer	1st Charger	50
	2d ditto	45
Cavalry — Heavy and Light Dragoons	1st Charger	45
	2d ditto	35
Cavalry — Riding Horse of Pay-Master, Surgeon, Assistant-Surgeon, Veterinary Surgeon, or Regimental Quarter-Master		35
Infantry — Field Officer's Charger		35
Infantry — Adjutant's ditto		35
Infantry — Paymaster, Surgeon, Quarter-Master, or Assistant-Surgeon's Horse		25
Cavalry and Infantry Bât Horse		20

Digitized by Google

19.

The Adjutant and Quarter-Master-General's Staff, Aides-de-Camp, and Brigade Majors, are to be considered on the same scale as Cavalry Officers.

20.

The Allowances for the Riding Horses of other Classes of Staff Officers, such as those of the Medical, Commissariat, and Paymaster-General's Staff, shall vary according to the relative Rank and Duties of such Officers in the Army; those Officers who rank as Field Officers being allowed not exceeding £35, and those below that Rank not exceeding £25.

Claims for Horses are to be made out according to the Form, No. IV.

21.

The regulated Allowances for Horses shot for the Glanders on the Home Station, may be charged against the Public without a special Authority for each Case from the Secretary at War. General and Staff Officers may insert the Amount to which they are entitled in their contingent Account, and the Charge for Regimental Officers may be made by the Paymaster of the Corps to which they belong, the Regular Certificates being in all cases annexed.

Losses of Non-commissioned Officers and Soldiers.

22.

Claims on account of Necessaries lost on Service by Non-commissioned Officers and Soldiers individually, are to be made out and certified according to the Form in the Appendix, No. VI.

23.

All admissible Claims of this description shall be settled by allowing for the whole, or for a certain proportion or rate, of a complete Set of Necessaries, according to the circumstances of each Case.

24.

The Captains of Troops or Companies, and Commanding Officers of Regiments, are responsible that no such Claim shall include any Charge on account of Articles not described as Necessaries in the Regulations existing at the time.

25.

The Indemnification for a complete Set of Necessaries of a Non-commissioned Officer or Soldier shall not exceed the following Rates, viz.

Cavalry.	Serjeant	2	15
	Corporal Trumpeter or Private	2	10
Infantry.	Serjeant	2	10
	Corporal Drummer or Private	2	2
An Officer's Servant, not a Soldier ..		3	8

26.

Non-Commissioned Officers and Soldiers who have been taken and detained as Prisoners of War for more than Four Months, shall not be allowed to receive Compensation for Necessaries lost when they were taken Prisoners; as by His Majesty's Regulations with regard to Clothing, Necessaries, &c. they will be supplied with Necessaries out of the Arrears of Pay,

Digitized by Google

if any be due to them, under the Provisions of the Mutiny Act; and if not, by stoppages from their accruing Pay.

All such Claims, therefore, made by Men who have been Prisoners of War, shall contain a Statement of the precise Period during which they were absent from their Regiment in consequence of being captured.

27.

In Claims of Non-commissioned Officers, and Men of Dragoon Regiments, on account of Necessaries destroyed, as having been used with Glandered Horses, the Horse Cloth of the heavy Cavalry, or Saddle Blanket of the Light Cavalry, is not to be included, as they can be freed from Infection by being washed and boiled.

Claims for Necessaries so destroyed, are to be made out and certified according to the Form in the Appendix, No. VII.

Extra Necessaries.

28.

Claims on Account of the Loss of Extra Necessaries provided by the Orders of the Commanding Officers of Regiments, or of a Committee of Officers, as laid down in the 22d and 23d Clauses of His Majesty's Warrants of the 21st of June, 1828, for regulating the Provision of Clothing, Necessaries, &c., and sent out to Foreign Stations, or embarked with Troops, and not issued to the Men, can in no case be admitted, as under those circumstances the Articles ought to have been insured from Loss or Damage before they were embarked.

Camp Equipage and Camp Necessaries.

29.

When Camp Equipage, or Camp Necessaries, which have been issued to Troops on Foreign Service, are either lost through Neglect or destroyed from wilful Abuse, Regiments so losing or destroying the Articles will be called upon to pay for them.

Stores of the above description being issued by the Ordnance Department, on Requisitions from the Quarter-Master General, any Deficiencies must be noted in the Returns sent in by the Regiments to the Quarter-Master General, who will decide whether the Damage and Loss have arisen from Negligence and improper Treatment on the part of the Soldiers, or by fair Wear and Tear from Service, and what Amount of Charge is to be made against the Regiment, according to such Instructions as may be issued on this Head by the Master General and Board of Ordnance.

30.

When Camp Equipage has been destroyed, otherwise than by Neglect or Wilful Abuse, the fact, and the Necessity of the destruction, and all other Circumstances connected therewith, will be ascertained by a competent Board, assembled as directed by the 7th Clause of this Regulation.

By His Majesty's Command,

H. HARDINGE.

WARRANT REGULATING THE ISSUES OF STAFF AND GARRISON PAY.

Dated 30th July, 1830.

WILLIAM R.

WHEREAS We have deemed it expedient to revise the Warrant of our late Royal Brother, dated the 21st January, 1826, regulating the Issues of Staff and Garrison Pay, and to alter and amend the same, Our Will and Pleasure therefore is, that instead of the Provisions therein contained, the Regulations annexed to this Our Warrant shall be established, and that the said Regulations shall be registered and observed on every Station abroad where Our Forces may be serving, (the East India Company's Territories excepted,) as Our sole and standing Regulation on the subject of such Issues.

It is Our further Pleasure, that no deviation whatever from these Regulations shall on any account be permitted, unless Our Special Sanction for such deviation be communicated through Our Secretary at War.

And for the performance of the several matters hereinafter mentioned, this shall be to all Persons, whom it doth or may concern, a sufficient Warrant, Authority, and Direction.

Given at Our Court, at St. James's, this 30th day of July, 1830, in the First Year of Our Reign.

By His Majesty's Command.

H. HARDINGE.

Regulations.

Staff and Garrison Pay.

1.

Staff Pay at *Home* shall be issued at the Rates specified in the annexed Schedule 1, *quarterly* to Officers holding more than one Military Commission or Appointment, and *monthly* to Officers holding but one.

2.

Staff Pay *Abroad* shall be issued every *two months* to all Officers without distinction, at the rates specified in the annexed Schedule 2, from the Military Chest on the Station.

3.

Garrison Pay at *Home* shall be issued *quarterly* at the rates borne upon the Establishment of the respective Garrisons.

4.

Garrison Pay *Abroad* shall be issued every *two months* from the Military Chest on the Station, at such rates as shall be annually communicated by the Secretary at War to the several Officers in Command.

5.

A List of the *Staff* and *Garrison Appointments* borne on the Establishment of each Station abroad, as voted by Parliament, shall be annually transmitted by the Secretary at War to the Officer in Command, for his information and guidance; but as in time of War, cases of emergency may occur to render indispensably necessary an Appointment not specified in such List, in these cases the Officer in Command shall transmit to the Lords Commissioners of the Treasury, to the Commander-in-Chief, and to the Secretary at War, a special Report of the circumstances which have created the necessity of the said Appointments, stating also the proposed rates of Pay and Allowances, if any, and how long the Appointment will in all probability be required. In time of Peace no new Appointment is to be created without the previous sanction of the Secretary of War.

6.

Returns of each periodical Issue of Staff and Garrison Pay Abroad, according to printed forms to be furnished by the War Office, shall be regularly transmitted home in Duplicate by the several Officers in Command; namely, one copy for the Lords Commissioners of the Treasury, and the other copy for the Secretary at War.

7.

The Issues of Pay to Officers, *not being on the Personal Staff of a General Officer*, on the first appointment to the Staff or to a Garrison Abroad, are to be governed by the following Rules, viz.

When the Officer is present on the Station, his Pay, if he holds more than one Military Commission or Appointment, shall commence from the date of his Appointment being announced in General Orders; but if he holds only one Commission or Appointment, his Pay shall commence from the date thereof, provided he shall have served during the whole period, though in an inferior Rank.

When the Officer is not present on the Station, his Pay, if he holds more than one Military Commission or Appointment, shall commence only from the date of his arrival Abroad, within the Command, without reference to the date of his Commission or Appointment.

8.

Staff and Garrison Pay being strictly a remuneration for local Service, is not to be granted, unless the Officer shall be present in the actual discharge of his duties on the spot; but in order to assist the Officer in defraying the expenses attending his voyage and outfit, he shall, on producing to the Secretary at War, a certificate from the Captain or Master of the Vessel, in which he is about to embark from the United Kingdom, of his agreement for a Passage, receive an allowance of Staff or Garrison Pay in proportion to the average length of the voyage to the Station, agreeably to the following calculation, viz.

STATION.	No. of Days Pay.	STATION	No. of Days Pay.
New South Wales	140	Canada	50
Van Diemen's Land	130	Nova Scotia	40
Ceylon	120	Bermudas	40
Mauritius	90	Bahamas	50
Cape of Good Hope	80	Ionian Islands	50
Jamaica and Honduras ..	60	Malta	40
Sierra Leone	40	Gibraltar	25
Windward and Leeward Islands, Demarara and Berbice	50		

In time of War, when the duration of the Passage may be prolonged by the necessity of Convoy, the number of days Staff Pay shall be increased in the proportion of *one-tenth* in every instance.

If the Officer holds only one Military Commission or Appointment, his Pay shall commence from the date thereof, provided he embarks within Six Weeks of such date; but if his embarkation is longer delayed, his Pay shall commence Six Weeks antecedent to embarkation, and Pay may be further advanced to him for the number of days above stated, according to his destination.

When an Officer *is transferred from the Staff at Home to the Staff Abroad*, the Pay of his latter appointment shall commence from the date when the Pay of the former one ceases, provided the Officer shall embark within two months from that date; but if he shall remain at home beyond two months, his appointment shall be treated as a first appointment, agreeably to the rules above stated.

9.

The issues of Pay to Officers, not being on the Personal Staff of a General Officer, on removal from the Staff Abroad, or from an appointment in a Foreign Garrison, are to be governed by the following Rules, viz.

If an Officer shall *resign* his appointment, or be deprived of the same on account of *misconduct*, his Pay shall be discontinued abroad from the day when he ceased to do duty; nor shall he be entitled to any Pay in aid of his expenses home, but the Officer commanding on the Station in the exercise of his discretion may grant or refuse a Passage home.

When an Officer, holding *more than one Military Commission* or *Appointment*, loses his Staff situation under any other circumstances than those above stated, his Pay shall be discontinued from the day when he ceased to do duty. If he does not belong to a Regiment serving on the same Station, or if he does not remain abroad by choice, he shall receive the same number of days Staff or Garrison Pay, in aid of his expenses home, as is granted to an Officer holding the same appointment when going on Foreign Service; but of this Pay not more than two-thirds shall be issued abroad.

If an Officer holding *only one Commission or Appointment* shall lose his Staff situation through any other cause than resignation or misconduct, and shall remain abroad, he shall be allowed two months Pay beyond the day when he ceased to do duty; but if he returns home, he shall continue to receive full Pay until two months after his arrival in this country, provided he uses due diligence in effecting his return.

10.

In cases in which the Staff attached to a body of Forces employed on Foreign Service, is broken up entirely, in consequence of the recal of the troops, every Officer of such Staff, who returns home therewith, shall be allowed continuous pay for a period not exceeding two months beyond the date of the arrival of the said Forces in the United Kingdom.

11.

When an Officer holding *more than one* Military Commission or Appointment, *comes home upon leave of absence*, the Officer commanding on the Station may grant an advance of Pay to him equal to two-thirds of the pay allowed for the voyage out, and on his arrival in the United Kingdom, he shall have his Pay completed to the date of his landing, when it is to cease; nor shall it recommence, except from the day of his re-arrival at the Station abroad; but upon producing to the Secretary at War a certificate from the captain or master of the vessel in which he proposes to return, that he has agreed for his passage out, he shall, in addition, receive the same number of days Pay as is allowed for the voyage out to the Station on first appointment.*

12.

When an Officer holding *but one* Military Commission or Appointment, *comes home on leave of absence*, the Officer commanding on the Station may direct an advance of Pay to be made to him, equal to *two-thirds* of the Staff Pay allowed for the average passage out; and upon reporting his arrival in the United Kingdom, and transmitting in original the certificate of his leave, Pay from time to time may be allowed him for such further period, not exceeding *eight* Months, as the Secretary at War shall think fit, under the circumstances of the case; but if the Officer, instead of returning to the Station, or of his being employed elsewhere, shall go on half-pay, or retire from the Service, Pay shall not be allowed him beyond *three months* at furthest after his landing in the United Kingdom.

13.

The issues of Pay to Officers on the *Personal Staff* of a General Officer, as they differ from other Officers of the Staff, being appointed by the General Officer himself, and holding their situations during his pleasure, are to be governed by the following Rules, viz.

Pay for a Military Secretary, or an Assistant Military Secretary, shall not be allowed, except in cases in which the appointment is borne upon the voted establishment of the Station.

14.

A Military Secretary Abroad shall be allowed only on Commands of importance, requiring the services of a General Officer on the Staff, with rank and Pay superior to those of a Major-General. On other Commands, where the General Officer is receiving the Staff Pay of a Major-General, an *Assistant Military Secretary only* shall be allowed, notwithstanding such Commands may, for the convenience of the Service, be held by General Officers of superior rank.

* See Regulation for Passage Allowances. No Officer coming home, on leave, for his own convenience, is allowed a passage.

15.

When a Military Secretary, or Assistant Military Secretary, continues abroad, in the provisional execution of his official duties after the death, or during the absence, of the General Officer to whom he is attached, he shall, if he be not ultimately confirmed in his situation, receive half the Pay of the appointment until relieved by his successor, but if he be confirmed, he shall receive the whole Pay.

If the Military Secretary, or Assistant Military Secretary does not remain abroad; and if his successor is not present on the Station when appointed, the Officer relieved going home, and the successor coming out, shall each be allowed Staff Pay, agreeably to the rules laid down in the preceding Articles 8 and 9, in aid of their expenses out and home.

16.

An Assistant Military Secretary shall not be appointed, except *in time of War and in cases of emergency*, without the previous sanction of the Commander-in-Chief and Secretary at War. If one should be approved, Pay not exceeding nine shillings and sixpence a day may be issued to him.

17.

The Pay allowed for Aides-de-Camp shall be issued to themselves, and shall be granted for such number only as each General Officer may be authorised by his Letter of Service to appoint, not exceeding in any case the following number, viz.:—

	Aides-de-Camp.
Commander-in-Chief	6
Commander of the Forces, commissioned as such	4
General	3
Lieutenant-General	2
Major-General	1
Brigadier-General, if employed in active operations in the Field, and not otherwise	1

and no *Extra Aid-de-Camp* shall be appointed, except in time of War and in cases of emergency, without the previous sanction of the Commander-in-Chief and Secretary at War.

If an *Extra Aid-de-Camp* should be approved, the usual allowances of an Aid-de-Camp, but no Pay, may be issued to him.

18.

If a Major-General in the command of a Station should be promoted to the rank of Lieutenant-General, and should, for the convenience of the Service, be retained in the same Command, but with his former Staff Pay, he shall not be allowed a second Aid-de-Camp in consequence of such promotion.

19.

When an Aid-de-Camp accompanies his General to or from a Foreign Station, the Rules in the preceding Articles 8 and 9, as far as respects the commencement and termination of his Pay, and the allowance of Pay, on going out and returning home, shall be observed.

If the General, whilst abroad, shall select an Officer, not serving on the Station, to be his Aid-de-Camp, the issues to such an Aid-de-Camp shall be governed by the Rules laid down in Article 8.

Digitized by Google

20.

When from the death or discontinuance of a General Officer abroad, an Aid-de-Camp ceases to belong to the Staff, he shall receive Pay to the date of such death or discontinuance; and provided he does not belong to a Regiment on the Station, or does not remain abroad from choice, he shall likewise receive the Allowance of Pay prescribed by Article 9, in aid of his expenses home.

21.

If an Aid-de-Camp remains abroad, during the absence of his General, the duration of his Pay shall be determined by the period for which Pay is received by his General.

22.

In cases in which an Officer shall temporarily officiate in a Staff or Garrison appointment abroad, in consequence of the death or absence of the holder thereof, the following Rules are to be observed, viz.:—

If provision for a General Officer be made on the Voted Staff of a Foreign Station, and an Officer of inferior Rank shall, in consequence of the death or absence of the General Officer, succeed to the *temporary command of the Station*, such successor shall, provided he hold the said command for a period exceeding One Month, and provided also that the charge be accompanied by a certificate of such death or absence, receive the following Daily Allowance, viz.—a Regimental Officer not being on the Staff, if a Field Officer, Twenty Shillings; if below that Rank, Ten Shillings; and an Officer being on the Staff, Ten Shillings, in addition to the pay of his own Appointment.

23.

When an Officer upon the Staff Abroad dies, or does not receive Staff Pay in consequence of absence, the Officer acting in his stead shall, if he holds an inferior appointment on the Staff, receive the difference between the Pay and Allowances of such appointment on the Staff, and of the appointment in which he officiates; but if he is not an Officer on the Staff, he shall receive half the Pay, and all the Allowances attached to that appointment, until the arrival of his successor on the Station, a certificate of which arrival shall be annexed to the charge. But if the acting Officer be regularly confirmed in the appointment, he shall commence receiving the Full Pay of the appointment, from the date of such confirmation.

24.

Officers of the Royal Engineers and Royal Artillery, when employed upon the General Staff of the Army, shall receive through the Board of Ordnance the same rates of Pay and Allowances as Officers of the Line receive under similar circumstances through the Secretary at War.

25.

If Clerks should be required abroad by a Military Secretary, or by any other Officer of the General or Medical Staff, or by any Garrison Officer, the Chiefs of the several Military Departments shall submit to the General, or other Officer commanding on each Station, Annual Statements of the Numbers, Duties, Salaries, and Allowances of the said Clerks, and of the reasons for employing them, and for any charges made or proposed therein, together with Estimates of the Expense, and of the other contingent Charges of their departments for the year ensuing; which Statements and Estimates, when approved by the Officer commanding, shall by him be forwarded to the

Secretary at War, in time to be received not later than the end of December in the current year.

26.

Any Officer employing Civilians or Soldiers, as Clerks, without due authority, except in cases of necessity and emergency, when such authority cannot be immediately obtained, or continuing to employ them after the necessity has ceased, shall be chargeable with all expenses incurred by the public, in consequence of such employment.

Every payment to a Clerk shall be duly vouched by his receipt for the amount.

27.

On Stations where a Deputy Judge Advocate may not be serving on the Staff, whenever it shall be necessary to appoint an Officer to officiate in that capacity, on a General Court Martial, he shall receive an allowance not exceeding Two Guineas per diem, during the actual Session of such Court, and for any intervening Sundays, but not for more than two days in the whole of any adjournments during the said Session.

The Officer thus officiating shall submit to the President of the Court Martial an account of the expenses incurred on the trial, for Stationery, Hire of Rooms, or other contingent charges, when, if the same shall appear to the President to be fair and reasonable, he shall give a certificate to that effect, in order that the amount may be issued under a Warrant of the Officer commanding on the Station.

28.

A Staff or Garrison Officer, when accommodated with a Passage to, or from, the United Kingdom, on board a Government Vessel, or Transport, shall, if supplied with Provisions at the public expense, pay 3*d*. a day for each Ration so supplied to himself or to his servants, not being Soldiers. When proceeding upon Foreign Service, such payment shall be made by the Officer to the Head of the Commissariat on the Station; and, when returning home, to the Commissariat Agent at the Treasury, if the Officer belongs to the General Staff, or to the General Agent for the Recruiting Service, if the Officer belongs to the Medical Staff.

29.

Instead of the deductions to which the Regimental Pay of certain Officers of Infantry when holding Staff or Garrison Appointments, or any other Military Situations, was formerly liable, the following deductions shall, from and after the 1st January, 1831, be made from the Pay of such Appointments or Situations; viz.—

4th Nov. 1826.

Our Will and Pleasure therefore is, that the several Warrants bearing the respective dates specified in the margin hereof, and that all Rules, Orders, and Regulations consequent thereupon, shall (subject to the reservation herein contained) be void; and that in lieu thereof, the Rules, Orders and Regulations annexed to this Our Warrant shall henceforth be in force.

It is Our further Will and Pleasure to reserve and continue to all Non-commissioned Officers and Soldiers enlisted before the first day of December, 1829, every benefit to which they may respectively be entitled under the Warrants and Regulations hereby made void.

And We do hereby direct and order, that the Commissioners of Our Royal Hospital at Chelsea, as well as all other Persons whom it may in any wise concern, shall strictly observe and obey this Our Warrant and the Regulations annexed to it.

Regulations.

1.

All Non-commissioned Officers and Soldiers enlisted previously to the first day of December, 1829, shall, as regards their right to claim Pensions for Service and Wounds, remain entitled to every benefit or provision which they can at present claim under any Warrants or Regulations which were in force at the time of their enlistment; but the following Rules and Regulations only shall be in force and applicable to all Non-commissioned Officers and Soldiers enlisted after the thirtieth day of November, 1829.

2.

CLAIMS FOR PENSIONS shall be divided into the four following Classes:—
1st Class.—Length of Service.
2d Class.—Wounds received in action.
3d Class.—Disabilities contracted in the Service, *after* 14 years' service.
4th Class.—Disabilities contracted in the Service, *under* 14 years' service.

1ST CLASS.

LENGTH OF SERVICE.

3.

A Soldier enlisted for unlimited Service has no claim as a *matter of right* to his discharge, either with or without a Pension, after any period of Service however long.

4.

No Soldier, when discharged, shall be allowed a Pension for length of Service alone, unless he shall have served 24 complete years in the Cavalry, or 21 years in the Infantry; but when discharged after those periods of Service, he may be allowed a Pension not exceeding the under-mentioned rates, viz:—

		Private. After Years of Service.	Rates per Diem. s.	d.
If discharged on account of the Public Service.	Cavalry	24	1	0
		28	1	2
	Infantry	21	1	0
		25	1	2
If discharged at his own request.	Cavalry ..	24	0	10
	Infantry ..	21	0	10

5.

If a Soldier shall be discharged on *Reduction* or *Disbandment* of his Corps after a service of 14 years, but under 24 years in the Cavalry, or 21 years in the Infantry, he may, at the discretion of the Commissioners, be allowed the gratuity specified in Article 46 of these Regulations; and shall be eligible to re-enter the Service, according to the rule laid down in Article 41.

6. *Art.* 6.

Serjeants-Major, Quarter-Master Serjeants, Troop Serjeants-Major, Colour Serjeants, Serjeants and Corporals, shall have their Pensions computed at the same rate as Privates, with the following addition for every *year* of service as Non-commissioned Officers, viz:—

By order of the King, signified to the Secretary at War. July 30, 1830.

When a Non-commissioned Officer is discharged at his own request, a diminution of Two-pence a day shall be made in all ranks from the rate of the Pension, to which he would otherwise, according to the scale in this Article, be entitled for actual Service.

	d.		*s.*	*d.*
Serjeants-Major	2½	Total Pension for Service not to exceed	2	4
Quarter-Master Serjeants	2		2	2
Serjeants	1		1	10
Corporals	0½		1	4

Provided always that the Non-commissioned Officer shall have served 24 years in the Cavalry, or 21 years in the Infantry, and shall have been discharged as a Non-commissioned Officer, having served without interruption as such for the *three years* immediately preceding his discharge. And no Non-commissioned Officer shall receive the aforesaid superior rates if discharged whilst holding an inferior rank.

The period during which any Soldier may have been employed as an Acting *Lance* Serjeant or Corporal, shall not be allowed to reckon as Non-commissioned Officers' service.

A Soldier exchanging from Cavalry to Infantry, or from any regular service, shall reckon his service according to the Regulations applicable to the Corps in which he may be serving when discharged.

2d Class.

WOUNDS RECEIVED IN ACTION.

7.

The daily Rates of Pensions for *Wounds* or *Injuries* received in *Action* are to be governed by the Rules contained in the following Schedule, viz:—

RANK.	FIRST DEGREE. Men losing *two Limbs*, or *both Eyes*, from Wounds, or being so severely wounded as to be *totally incapable* of earning a livelihood, and to require the assistance and care of some other person.		2D DEGREE. Men rendered *incapable* of earning a livelihood, but not requiring the care of another person.		3D DEGREE. Men able to contribute in a *small degree* towards a livelihood.		4TH DEGREE. Men able to contribute *materially* towards a livelihood, although unfit for the ordinary duties of the Service.	
	From	To	From	To	From	To	From	To
	s. *d.*	*s.* *d.*	*s.* *d.*	*s.* *d.*	*s.* *d.*	*s.* *d.*	*s.* *d.*	*s.* *d.*
Serjeant.	2 6	3 6	2 0	3 0	1 6	2 0	1 0	1 6
Corporal	2 0	3 0	1 6	2 0	1 0	1 6	0 9	1 0
Private .	1 6	2 0	1 0	1 6	0 9	1 0	0 6	0 9

8.

In cases of *severe wounds* or *injuries* received in *action*, the Pension shall be fixed according to the rates in the foregoing Schedule, by the Commissioners of Chelsea Hospital, who will grant the lowest or the highest, or any intermediate rate, according to the *degree* of the injury received, the *length* of the Soldier's previous service, his *character*, or any peculiar circumstances attending his conduct at the time the wound was received.

3d Class.

DISABILITIES OR INJURIES CONTRACTED ON SERVICE, *AFTER FOURTEEN YEARS' SERVICE.*

9.

Any Non-commissioned Officer or Soldier discharged *after* 14 Years' Service, but *under* 24 Years in the Cavalry, or *under* 21 in the Infantry,

Digitized by Google

for a *permanent* Disability contracted by and in the Service, may be awarded a *permanent* Pension, at the following rates: *viz.*

A Serjeant, from 9*d.* to 1*s.* 3*d.*
A Corporal, from 7*d.* to 1*s.* 0*d.*
A Private, from 6*d.* to 0*s.* 9*d.*

Provided that the Serjeant or Corporal shall have served at least 5 Years in the rank he holds when discharged, and that the Disability was not occasioned by any want of proper care on his own part. But unless the injury for which the Soldier may have been discharged be considered by the Commissioners to be *permanent*, he shall be awarded a *conditional* Pension only, at their discretion.

10.

The precise Amount of Pension for permanent Disabilities *after* 14 Years' Service shall be regulated at the discretion of the Commissioners of Chelsea Hospital, according to the *Time* the Soldier may have served; the *Climate* in which he may have been serving; the *Degree* of the Disability as affecting his means of earning a livelihood; and his *Good Conduct* whilst serving; but no Pension shall be granted on account of Disability if it has been occasioned by Vice, Intemperance, or Misconduct.

4th Class.

DISABILITIES *UNDER FOURTEEN YEARS' SERVICE.*

11.

Any Non-commissioned Officer or Soldier discharged *under* 14 Years' Service, in consequence of Disability contracted in and by the Service, and not from a want of proper care on his part, may at the discretion of the Commissioners be awarded a *Temporary Pension*, according to the following Scale:

Under 14 Years, and above 10 Years' Service . . . . . } A *temporary* Pension of 6*d.* a day for a period extending from 2 to 3 Years.

Under 10 Years, and above 7 Years' Service . . . . . } 6*d.* a day from 1 to 2 Years.

Under 7 Years' Service . . . . 6*d.* a day from 1 to 18 Months.

In *special* cases, where a *Gratuity* in Money, proportioned to the length of the Soldier's Service, may be considered more advantageous to his Interests than a *temporary* Pension, a Sum varying from £1 to £18 may be given him as a commutation, under the authority of the Secretary at War, if the Soldier be discharged without being examined by the Commissioners, or under their authority, if examined by them.

12.

In extreme cases of Disability or Injury, *under* 14 Years' Service, resulting from Military Duty, or the effects of Climate, the *temporary* Pension of 6*d.* a day may, under extraordinary circumstances of severe suffering from Service, be augmented to 9*d.*, and *renewed* for a specified period, at the discretion of the Commissioners; but these cases shall be deemed *special*, and registered as such, with the grounds on which they have been decided.

13.

In all *special* cases when Pensions on account of Disabilities or Accidents are granted, and likewise when Pensions are refused, or Claims are deemed to be forfeited, the decision of the Commissioners, with the grounds thereof, shall be communicated to the Secretary at War, in order that the result may be notified to the Regiment from which the Soldier was discharged.

14.

The decision of the Commissioners in fixing the rate of Pension granted for Service, Wounds or Disabilities, shall be *final*, and the amount of the Pension shall not be augmented on account of alleged increase of Disability, after the Soldier shall have left the Service, unless any *special* circumstances shall occur and be brought forward within 2 Years after the original grant of Pension, to justify a reconsideration thereof.

SPECIAL CASES OF DISABILITY OR INJURY.

15.

No Soldier shall be discharged for the loss of *one Eye* only, whether it be the *Right* or *Left*.

16.

If a Soldier shall have lost one Eye, by a Wound, and shall receive other Wounds or Injuries in Action, which render his Discharge necessary, the loss of an Eye may be taken into consideration by the Commissioners, in fixing the Pension at such a rate as his *Service* and *Disability* combined may, in their judgment, entitle him to receive.

17.

In cases in which an Eye shall have been lost by the effects of Service, and not by Wounds, the loss may be considered by the Commissioners at their discretion, in apportioning the rate of Pension. If *under* 14 Years' Service, the loss of an Eye may be taken into consideration, and a *temporary* Pension or a Gratuity be granted, according to the Scale laid down in the 11th and 12th Articles of these Regulations.

18.

In case a Soldier shall become totally blind from unavoidable causes, clearly attributable to *Service alone*, and not occasioned by Vice, Intemperance, or other Misconduct, he may be allowed a Pension varying according to the following Scale: *viz.*

	From		To	
	s.	*d.*	*s.*	*d.*
Serjeant, having served as a Non-commissioned Officer 10 Years, and not less than 5 Years as a Serjeant	1	3	2	0
Corporal, having served as such for 7 Years	1	0	1	3
Private	0	9	1	0

If the Soldier shall have served more than 14 Years, and is discharged with a *Good Character*, and with a constitution impaired by the effects of Colonial Service, an increase not exceeding 3*d*. a day may be added to the aforesaid Rates; but the precise Rate shall be determined at the discretion

of the Commissioners, according to the principles laid down in Art. 10 of these Regulations.

19.

Whenever a case of total or partial Blindness shall be involved in so much doubt, as to have been reported by a Court Martial or by a Medical Officer to be "*a suspicious case,*" the Commissioners shall deal with it as to them may seem most just; but in every case in which it is proved that a Soldier has tampered with his Eyes, or that his Loss of Sight has been caused by Vice, Intemperance or other Misconduct, and that his Character is bad, instead of being discharged on a Pension, he shall be detained in an *Eye Infirmary*, or shall be sent home to his Parish, or dismissed without a Pension.

20.

Except in extreme cases of Disability, no Infantry Soldier shall be discharged for *Rupture alone;* should a Ruptured Soldier be discharged before he has served 14 Years, his case shall be considered according to the 11th and 12th Articles of these Regulations.

21.

Any Cavalry Soldier who shall be discharged *under* 14 Years' Service for a Rupture which would not disable him for Infantry Service, may, at the discretion of the Commissioners either be transferred to a Veteran or Garrison Battalion or Company, or be allowed a temporary Pension or Gratuity, according to Article 11.

FORFEITURE OF PENSION.

22.

Any Pensioner refusing to serve, or not appearing when called upon by the Commissioners, or other lawful authority, shall forfeit his Pension unless a satisfactory explanation be subsequently given; but no Pensioner who has actually served 24 Years in the Cavalry, or 21 Years in the Infantry, shall be liable to be called upon to serve. And any Pensioner who neglects to draw his Pension for *four successive Quarters* shall be struck off the Pension List, and shall not be replaced unless he shall satisfactorily account for such omission; and the Commissioners shall, at their discretion, grant or withhold the Arrears, or any portion thereof.

23.

Every Soldier, convicted by a Court Martial of being a Deserter, may, in addition to any other punishment awarded by the Court, be sentenced to forfeit all claim to Pension. Such Sentence shall, in all cases, be recorded on the Discharge sent to the Commissioners of Chelsea Hospital; but if, after such Sentence has been passed, he shall have performed good and faithful, or gallant Service, he may be eligible for a Pension, provided that he be recommended by his Commanding Officer, through the Commander in Chief, in conformity with the Rules laid down in the Mutiny Act and Articles of War.

24.

If a Soldier shall have been convicted by the Civil Power, or by a Court-Martial of any *vicious* or *disgraceful conduct*, such as to render him unworthy of belonging to the Army, and consequently to be unfit for the Military Service, he shall, on being discharged in consequence thereof, have the Sentence, or Cause of his Dismissal from the Service, recorded in his discharge, and shall forfeit all claim to Pension.

25.

Any Soldier convicted before a competent Court-Martial of *feigning* or *producing Disease* or *Infirmity*, or of materially injuring his Health by habitual *Drunkenness*, or of being detained in Hospital by any disease contracted by his own vice or intemperance, thereby rendering himself unfit for Service, or of *absenting* himself from an Hospital whilst under Medical treatment, or of being guilty of a gross violation of the Rules of the Hospital, or of intentionally protracting his cure, or of wilfully aggravating his disease, shall be liable to be brought to trial by the Regimental Commanding Officer, or on charges preferred by the Surgeon of the Hospital, and to have the whole time of such detention in Hospital deducted from his Service, or of forfeiting all claim to Pension, provided such forfeiture form part of the sentence of the Court-Martial by which he was convicted.

26.

Any Soldier *maimed* by the *firing off of his musket*, or by other means, and who thereby becomes unfit for Service, whether the injury occurred *on* or *off duty*—whether *accidentally* or *intentionally*, shall in all cases, be tried by a District Court-Martial, as soon after the event as possible; and if it shall be proved before such Court that the injury was the unavoidable result of Military Service, and was in no way attributable to *design*, *negligence*,

drunkenness, or *misconduct* on his part, the Court may recommend the Soldier for a Pension; stating the proofs adduced and the grounds of their recommendation, or of their rejection of the claim, as the Case may be. The finding of the Court, and the confirmation of the Commanding Officer must invariably be annexed to the Discharge, and adverted to therein; but the final decision upon the claim to Pension shall in all Cases which are brought before the Chelsea Board rest with the Commissioners.

27.

Any Soldier who shall be *disabled* or *mutilated* by an *accident* which did not happen in the immediate execution of some act of military duty, or which, if it did so happen on duty, was owing to his own *Negligence*, shall not be entitled to a Pension, although he be discharged for such disability.

His claim in such case can only be considered with reference to the *Service* he may have performed, or to the *Wounds* he may have received in action, or to the *goodness of his Character*. The finding of the District Court-Martial, stating the whole of the circumstances of the case must be annexed to the Discharge. The Commissioners will exercise their discretion in granting or withholding a Pension, but in no case shall a *permanent* Pension be granted for such accidental injury, unless the Soldier has served *above fourteen Years*. If the Soldier shall be ordered to be discharged at the Regiment, His Majesty's Pleasure, and the amount of any gratuity will be signified by the Secretary at War.

If it shall appear to the Court, that the Injury or Mutilation was not the effect of *accident*, but of *design*, the Soldier shall not be discharged, but shall be employed in such Regimental or Garrison Duty or Work, as the Commander-in-Chief may direct.

28.

If a Pensioner be guilty of gross violence or outrage towards the Persons employed in paying the Pensioners, he shall be punished by the loss either of a part or of the whole of his Pension, at the discretion of the Commissioners, in addition to any other punishment which the Law may inflict for such offence.

29.

If a Pensioner be discovered to have received *credit* for a longer period than he actually served, by a *false entry*, *alteration*, or *erasure*, in any Regimental Book or Document, or by a *misrepresentation* of his claims, or to have obtained *through any other means* a higher rate of Pension, than he was entitled to at the time of his Discharge, when he was sworn to the truth of his statement of Services, such Pensioner, in the event of the Commissioners deciding that he was cognizant of the fraud, or guilty of the concealment of the truth, shall forfeit his Pension; and if a Pensioner shall commit any *felonious act*, or practise any *gross fraud*, which shall be proved to the satisfaction of the Commissioners, they shall either strike him off the Pension List, or reduce the Rate of his Pension at their discretion. In all cases of over-issue the Pensioner shall have his Pension lowered to the true Rate, and shall by a stoppage from his Pension, refund either the whole amount over-issued, or such part thereof, as the Commissioners may think proper to direct; but if the over-issue originated in any error of computation over which the Soldier could have no controul, the Pensioner shall not be called upon to refund any part thereof.

If a Non-commissioned Officer or Soldier be privy to the making of any

false Entry, or producing any fraudulent Document either as regards his own Services or those of any other Person, he shall on conviction thereof before a competent Court-Martial be rendered incapable of receiving a Pension, according to the provisions of the Mutiny Act and Articles of War.

30.

If a Pensioner shall apply to any *Parish for relief* for himself or family, or shall suffer his family to become chargeable to the Parish, his Pension, by the Acts of Parliament of 59 Geo. III. cap. 12, and 6 Geo. IV. cap. 27, will be payable to the Parish Officers according to the provisions of the said Acts.

31.

Any Pensioner or other Person, who shall *knowingly personate*, or *falsely assume* the name or character of a Soldier who is or may become entitled to a Pension, or shall falsely pretend to be the *Heir, Administrator*, or *Assignee* of a Pensioner or Soldier, for the purpose of fraudulently obtaining Money or Effects, or shall knowingly and wilfully assist in forging or counterfeiting the name or handwriting of any such Pensioner or Soldier as aforesaid, or in forging any document relating thereto, is liable on being legally convicted thereof, to be *transported as a felon*, according to the Act 7th Geo. IV. Cap. 16, clause 38, (1826).

32.

Any Pensioner imprisoned in a Gaol by order of a Magistrate, as a Vagrant, or as having committed any misdemeanor or crime, if he *assumes a false name*, whether he be convicted or not of the offence for which he was apprehended, shall on proof of such *concealment of the true name* under which he was pensioned, have his Pension suspended, reduced, or altogether taken away, at the discretion of the Commissioners.

And if any Pensioner gives a false statement as to his place of residence, or for a fraudulent purpose draws his Pension at a place different from that where he usually resides, he shall be liable to have his Pension taken away, reduced, or suspended, at the discretion of the Commissioners.

33.

Non-commissioned Officers and Soldiers, who have forfeited their claims to Pension in consequence of Misconduct, shall have their names, and the circumstances under which their Pensions were forfeited, published in the Orderly Book of the Regiment to which they belonged, and a Memorandum of the fact shall be sent to their *Parishes* by the Commanding Officer.

Art. 33.

By order of the King, signified to the Secretary at War.

July 30, 1830.

After the word Parishes, erase the words " by the Commanding Officer," and insert " by the Secretary at War, as provided in the Mutiny Act and Articles of War."

COMMUTATION OF PENSIONS.

34.

Pensioners *not being Natives* of the United Kingdom, may have their Pensions *commuted* for a Sum of Money, on His Majesty's pleasure being signified to the Commissioners of Chelsea Hospital by the Secretary at War; the Money to be paid out of Funds appropriated for the use of the said Hospital.

35.

If a Pensioner, being *a Native* of the United Kingdom should be desirous of settling Abroad in any of His Majesty's Colonies, his Pension may be commuted in the manner laid down in the preceding Article. But if any Pensioner shall have received a commuted Allowance for his Pension from the Commissioners, and shall at any subsequent time fraudulently attempt to revive a Claim to the Pension so commuted, he will be liable to be proceeded against under the Act of Parliament referred to in Article 31.

RULES IN RECKONING SERVICE.

36.

No Soldier shall be allowed to reckon his Service under Eighteen Years of Age.

If a Soldier at the time of Enlistment shall misrepresent or conceal his real Age, and his real Age be afterwards discovered, he shall in no case benefit by such discovery; if, for instance, he swore that he was under Eighteen Years although he was actually older, the Age specified on his Attestation shall be the standard for calculating his Service, and consequently his Service under Eighteen Years of Age according to such Attestation, will not be allowed to reckon.

37.

The distinction between Service in the East and West Indies, and Service in any other part of His Majesty's Dominions, having ceased since the Year 1818, as regards the reckoning of Service for Pension, the same Rule will apply as regards the Claim to *Additional Pay*, which in the case of men enlisted after the 30th November, 1829, will only commence after 14 Years' Service actually completed.

38.

Any Soldier may be *transferred* from one Battalion to another of the same Regiment; or he may be permitted to volunteer into another Regiment on the disbandment of his Corps, or on its being ordered Home from a foreign Station; but he shall *not be liable to be drafted* from one Regiment to another without his consent, unless by sentence of a Court Martial. Pensioners who have not served 21 Years, will be held liable to be called upon to serve in a Veteran or Garrison Battalion, or in the Militia, or in a Regiment of the Line within the limits of the United Kingdom.

39.

Non-Commissioned Officers and Soldiers shall not be allowed to reckon as Service the period of *Imprisonment*, whilst under the legal sentence of a Civil or Military Court, nor the period of confinement previous to Trial, unless acquitted of the Offence alleged against them, according to the Provisions of the Mutiny Act and Articles of War.

40.

If any Person discharged from the Army for Disability, or for any other cause, shall subsequently re-enter the Army, and shall, when questioned by the Magistrate at the time of his being attested, conceal the fact, or misrepresent the cause of his former Discharge, he shall not be allowed to reckon his past Service, nor to receive any Pension, if again Discharged for Disability.

Digitized by Google

41.

If any Soldier, discharged on *Reduction* or *Disbandment* of his Corps, shall not have the opportunity of immediate re-enlistment into any other corps, he shall, on *re-enlisting within three Years*, be allowed to reckon his former Service, provided that he shall not have passed the Age at which *disbanded* Soldiers may be allowed to re-enter the Service—and that he shall in every respect be eligible for the Service. The man so re-enlisting must at the time of being attested, declare his former period of Service in the Army, Ordnance, or Marines, and the cause of his discharge from his last Corps; but if he should fail to make such declaration of his previous Service, so that it may be recorded in his Attestation, he shall not be permitted to reckon it at any subsequent period.

42.

Pensioners who shall, under a Proclamation of His Majesty or other lawful authority, be called upon to serve in a Veteran Company or Battalion, or in the Militia, or to be attached to a Regiment of the Line within the United Kingdom, shall, in addition to their previous Services, reckon such Service, provided the period thereof shall not be less than *one Year*.

43.

Any Pensioner who *voluntarily enlists* into a *Veteran* Company or Battalion, or the *Militia*, or who is appointed to be a *District*, *Barrack*, or *Garrison Serjeant*, or a Military *Clerk*, or *Hospital Steward*, or who is employed in any other Military capacity, shall, when discharged, revert to his former Pension, unless it be pronounced by competent authority to have been forfeited. If he shall have served *Ten Years* or more in any of the situations above-mentioned, and shall have been discharged therefrom with a good character, or even if he shall have served less than Ten Years, and shall have been discharged under circumstances entitling him to special consideration, as a deserving Soldier, His Majesty's pleasure will be signified by the Secretary at War, that such increase of Pension may be granted, as the Commissioners shall think fit; not, however, exceeding in any case the Rates specified in Articles 4 and 6.

44.

The Services of all Soldiers at present in the Army, shall be accurately revised and balanced up to the 31st Dec. 1828, by the Military Boards established, and now sitting for the investigation of those Services. The period of Service which each Man may be allowed to reckon to that date, shall be recorded and certified in words at length, by the particular Board before which the examination takes place, and such Record shall be admitted by any other Military Board which may be hereafter assembled for deciding upon the Soldier's Claims, as the only correct Statement of his Service, to the termination of the Year 1828, from and after which time the balance of every Soldier's Services shall be struck periodically, and under such Instructions as His Majesty may be pleased to give through the Secretary at War.

45.

No Soldier shall hereafter reckon as Military Service the time he may have previously served in His Majesty's Navy.

CONDITIONS UNDER WHICH DISCHARGES MAY BE OBTAINED.

46.

His Majesty having been pleased to direct that Soldiers may be allowed to *purchase* or *obtain their Discharges*, under certain conditions and limitations, the terms are to be regulated by the following Scale, viz.:

[*Art.* 46. *By order of the King, signified to the Secretary at War. July* 30, 1830. The Gratuities shall be calculated at the respective rates of full pay of Cavalry, of Foot Guards, or of Infantry, excluding additional pay.]

Period.	For Men serving in the

Under 7 Years' actual Service	£30	£20
After 7 Years' ditto..	25	18

17 ..	Free Discharge, and three Months' Pay.	Free Discharge, and in addition six Months' Pay at home, and one Year's Pay abroad.
18 .. and to 21 ..	Free Discharge, and six Months' Pay.	Free Discharge, and in addition one Year's Pay at home, and one and a half Year's Pay abroad.

Where Grants of Land, in addition to free Discharges, can be made in the Colonies, the precise terms of the Grant, and the most advantageous mode of paying the gratuity of Full Pay, shall be clearly explained to the Soldier before he receives his discharge, and shall be registered in the Regimental Records. When the Soldier has been settled three months, and is actually residing on his Grant and is industriously employed in clearing it, the Governor, under authority from the Secretary at War, may, in addition to the Gratuity, authorize the issue of a Quarter's Pension at 6*d.* a Day; and may from time to time renew such issue for a period not exceeding in the whole One Year.

47.

SOLDIERS, who have *actually* served 21 Years in the Infantry, or 24 in the Cavalry, and who being fit for Service, are *discharged at their own request*, may be allowed a Pension of 10*d*. a Day, as shown in Article 4.

48.

But in all cases of Soldiers allowed to *purchase Discharges*, or to *obtain free Discharges*, or Pensions on Discharge at their *own request*, (if they have served the requisite period) the number of Men to be annually discharged, and the selection of the Individuals shall be governed by such Instructions as the Commander-in-Chief may give from time to time, or the Master-General of the Ordnance for that Department, for extending or limiting the numbers, or wholly suspending the permission, according to circumstances.

Provided that in all the aforesaid cases a period of *not less than* 30 *days* shall elapse between the Soldier's application, and the Commanding Officer's consent to recommend the Discharge; this interval being allowed for the express purpose of giving the Soldier sufficient time for due deliberation. At the same time it shall be clearly explained to him what prospect of permanent Pension he will forfeit, in consequence of accepting a free Discharge at his own request.

But nothing in this Regulation is to be construed as giving any *right* to a Soldier to claim his discharge by purchase or otherwise, it being intended as an *indulgence* to be conferred upon the deserving Soldier, in proportion to his good conduct and the length of his service.

"An Officer obtaining a Commission in any Corps of Cavalry or Infantry of the Line, or Fencible Corps, is to be charged with the Fees thereof by the Regimental or District Paymaster, or by the Agent, accordingly as he shall commence receiving the Pay of his new appointment from the one or the other. "Should the Paymaster, or Agent, by whom the Officer's Pay shall have been first issued, cease to issue the same previously to the payment of the full amount of the said Fees, he is immediately to signify what proportion thereof shall have remained unpaid, to the Paymaster, or Agent, by whom the Officer's Pay is likely to be issued in future; who is to receive the same accordingly, and to remit it to the Agent by whom the Fees shall have been paid."—*Vide Collection of Regulations, dated "War Office, 25th April, 1807," page 162.*

49.

If any Soldier *purchase* his discharge, or receive *a free discharge* at his own request, he shall have *no claim* to Pension; and should he subsequently re-enlist, he shall not be permitted to reckon his former service.

50.

With the view of *rewarding meritorious Soldiers* when discharged, and of encouraging good conduct in others whilst serving, His Majesty has been pleased to direct that a gratuity in addition to the Pension may in certain cases be given to one Serjeant or Corporal, and one Private annually, in every Regiment of an establishment of 700 Rank and File and upwards.

The Men to be recommended must have completed 21 years of actual service in the Infantry, or 24 in the Cavalry; have never been convicted by Court-Martial, and must have borne an irreproachable character, or have particularly distinguished themselves in the Service.

The Serjeants must have served 10 years and the Corporal 7 years in their respective Ranks as Non-commissioned Officers, and must have been discharged as such.

The Gratuity to the

Serjeant shall be .	£15 0
Corporal	7 0
Private	5 0

Art. 50.

By order of the King, signified to the Secretary at War.

July 30, 1830.

Discharged Soldiers receiving a gratuity for *meritorious conduct*, shall be entitled to wear a silver medal, having on one side of it the words "For Long Service and Good Conduct," and on the other side in relief the King's Arms, with the name and rank of the Soldier, and the year inscribed on the medal. The medal will be transmitted by the Adjutant General to the Officer commanding the Regiment, who will deliver it to the Soldier on the Parade, with the parchment certificate of discharge, on which the grant will be recorded, as well as in the Regimental Orders, and in the Register of Soldiers' Services.

If circumstances should prevent the Discharged Soldier from receiving the medal at the Regiment, it will be delivered to him through the Adjutant General at the Board of the Chelsea Commissioners.

The names and services of the individuals receiving the gratuity shall be published in Regimental Orders, and sent to the parishes to which they belong, *after* the Commander-in-chief shall have confirmed the Regimental Commanding Officer's recommendation, and *after* the Commissioners of Chelsea Hospital shall have notified to the Secretary at War that the gratuities have been paid.

In Corps of a lower establishment than 700 Rank and File, one individual may be recommended every year for the above-mentioned gratuity, to be selected by alternate years, that is to say, one year a Serjeant or Corporal, the next year a Private.

51.

In order to secure the interests of the Soldier at the close of his Military Service, a Regimental Board shall henceforward be assembled under the

orders of the Commander-in-chief, for the purpose of verifying the following particulars before any Soldier be recommended to be discharged.

1*st.*—*His Services.*

The Regimental Records shall be produced from which the Board will make a report, stating the period of the Soldier's service, the countries in which he has served, the wounds he has received, the battles, sieges, or campaigns, in which he was present, and any instances of remarkable bravery he may have displayed.

2*d.*—*His Character.*

The Regimental Record shall be referred to, and parol evidence be required from those Officers of the Corps, particularly the Medical Officers who have had the best opportunities of witnessing the Soldier's conduct in all situations. If he shall have forfeited his service by the sentence of a Court-Martial, and shall not have had such service restored, the fact and cause of such forfeiture are to be stated; and as the rate of Pension to be awarded will be influenced by *character*, the Board will, after the most careful investigation, report whether the Soldier's conduct has been generally good, bad, or indifferent, in the terms best calculated to express their opinion, more especially directing their attention to the latter years of his service.

3*d.*—*His Disability.*

The Board is to specify the nature, degree, and cause of the disability in their report, and to affix to it the report from the Medical Officer, stating the origin and progress of such disability, the manner in which it was contracted, the conduct of the Man whilst in hospital, and the degree of his unfitness for Military Service, in order that no Soldier may be discharged as disabled, unless the disability shall be ascertained to be such as in all probability to disqualify him permanently for Military Service.

4*th.*—*His Accounts and Claims.*

The Board will ascertain and report upon all just demands of Pay, Clothing, &c. and before the Soldier leaves the Regiment, the settlement of his accounts is to be certified in his discharge and signed by him.

But no Soldier shall be examined before a Regimental Board with a view to his discharge for disability, unless he shall have been previously inspected by the General or other Superior Officer in command, by whose orders the Regimental Board will be convened.

The Board shall be composed of three Officers: a Field Officer, or the second in command, shall be the President, and two Captains shall be members. When the report of the Board shall have been confirmed by the Officer Commanding the Regiment, the President shall fill up the discharge according to the substance of the Regimental Board's proceedings. The discharge shall then be signed by the President, and countersigned by the Commanding Officer, and be transmitted, together with a certified copy of the Court's proceedings, to the Adjutant General, through the General or other Officer commanding on the station.

52.

In any case of disability requiring the Soldier personally to appear before the Commissioners of Chelsea Hospital to obtain a decision upon his claim for Pension, the Soldier in the first instance will be ordered to the Invalid Depôt at Chatham, or to the General Hospital in Dublin, in order that the remarks of the Military and Medical Authorities at those stations may be inserted in the discharge; and on the day appointed for the Commissioners to hold a Board at Chelsea or Kilmainham, the principal Medical Officer, or the Staff Surgeon, who has had the Soldier whose case is before the Board, under treatment at the General Hospital, will attend with an abstract of his professional observations on each Man's case, when the Board will decide upon the claim to Pension.

Art. 52.

By order of the King, signified to the Secretary at War.

July 30, 1830.

And whenever a decision shall have been given by order of the Commander-in-chief to retain a Soldier in the service proposed to be discharged, the case of such Soldier shall not be again brought forward for discharge until after the expiration of one year, dating from the last decision.

If the Regimental investigation shall have been held abroad, the General or Superior Officer on the station will, according to his judgment, order the Soldier to a convalescent station abroad, or to the Invalid Depôt at Chatham.

Upon the Report of the Military and Medical authorities at the Invalid Depôt at Chatham, or at the General Hospital in Dublin, the Commander-in-Chief will give the necessary orders for the personal appearance of the Soldier at Chelsea, or Kilmainham, or for his joining the Depôt Companies of his Regiment, or for his final Discharge, according to the circumstances of the Case; but no Soldier who may have been sent from the Invalid Depôt, Chatham, or from the General Hospital, Dublin, to his Regiment, on a Medical Report of his fitness for Duty, shall be returned to the said Depôt or Hospital, until after the expiration of One Year, unless specially directed to be so returned by the Commander-in-Chief.

53.

If the Case of the Soldier be clearly such as not to entitle him to any Pension, and that there is no necessity for his personal appearance before the Commissioners of Chelsea Hospital, the proceedings of the Regimental Board, and the Discharge stating the grounds of the rejection of his Service, shall nevertheless be sent to Chelsea: if the

instructions as the Commander-in-Chief and the Secretary at War may issue.

No discharge to which a claim for Pension may attach, shall be finally confirmed by the Adjutant General's Department, until the Case shall have been decided upon by the Commissioners of Chelsea Hospital.

54.

Lists of the Soldiers allowed to purchase Discharges, or obtain free Discharges, shall be periodically sent to the Secretary at War, with the Discharges themselves and other requisite Documents, in order that an accurate Register may be kept of this Class of Discharged Men at Chelsea.

55.

Soldiers who obtain permission to be discharged at their own request, for length of Service and good Conduct, as laid down in Article 45, and Soldiers discharged in the Colonies or Garrisons abroad, as being disabled, if they have in both cases completed 21 Years' Service in the Infantry, or 24 Years in the Cavalry, and are desirous of settling in such Colonies, may be admitted on the Out-Pension List, without appearing personally before the Commissioners of Chelsea Hospital, provided that the recommendation from the Officer commanding on the Station, with the Reports and Discharges, shall be transmitted through the Commander-in-Chief to the Secretary at War, who will signify His Majesty's pleasure to the Commissioners for the Pensioning of any Soldier, without his appearing personally before them, at such Rate of Pension as they may determine; and until such decision shall be received abroad, the Soldier will continue to draw his Full Pay, without Allowances: but in all these instances the Soldier's Case shall be investigated, and his Claim to Pension regulated according to the 51st and 52d Articles of these Regulations.

In the third line insert 46, instead of 45.

56.

Any Soldier *discharged while serving abroad* shall, if the superior Authorities on the spot think fit, and that the good conduct of the Soldier justifies the indulgence, have the option of receiving assistance by a grant of land, to become a Settler in the Colony in which he may be serving, as regulated in Article 46, or of being sent to Great Britain or Ireland free of expense; in the latter case he shall receive the regulated Marching Money, from the Place of his being landed, to the Parish or Place in which he was originally attested, or to such other Place as he may choose, provided no additional expense be incurred.

DEDUCTIONS TO WHICH THE PENSIONER IS LIABLE.

57.

The only deduction to which Pensioners shall be liable from their Pension is one shilling in the pound, as heretofore directed by the Act of the 28th of George II. and no Agent or Clerk paying the Pensioners shall demand or take from them any fee or reward, without subjecting himself to the penalty of forfeiting his Office, together with the sum of £100, in conformity with the Act of the 7th Geo. IV. cap. 16.

Art. 57. *Bis.*

By an Act relating to Army Pensions, of the 16th July, 1830, the Secretary at War with regard to Pay and Pensions, and the Commissioners of Chelsea Hospital with regard to Prize Money and Pensions, paid by order of the Commissioners, are respectively empowered to issue any balance due to a deceased Officer, Soldier, or Pensioner, when the amount does not exceed £50, to the next of Kin or legal Representative of the Deceased, without the production of letters of Administration.

58.

No person employed to pay the Pensioners shall be allowed to charge more than threepence for the Affidavit required to be transmitted quarterly to the Secretary to the Board of Chelsea Hospital.

59.

Should a Pensioner lose his Instructions, and make an application for a fresh Copy, he may be supplied therewith, on making affidavit of the circumstances under which the Original was lost, and provided it shall be shown that the same had not been pledged, or improperly disposed of; but if the Pensioner be proved to have taken a false Oath, he shall be struck off the Pension List. When new Instructions are given, he shall be liable to pay for them a sum not exceeding two shillings and sixpence, nor less than one shilling.

60.

The Commissioners shall, as heretofore, at their discretion dismiss any In-Pensioner from the Hospital, if guilty of Misconduct; and upon such Dismissal they shall have the power of reducing the amount of the Pension to which such Pensioner was entitled on his admission, or of taking it away altogether.

61.

Whenever a Grant of Land is made to a Discharged Soldier, either in commutation of the Pension, or in aid of his becoming a Settler, he shall be exempt from the payment of any Fees for such Grant; the terms upon which Grants to Soldiers and Pensioners are to be made shall be governed by such Instructions as His Majesty may be pleased to give, through the Secretary of State for the Colonial Department.

62.

Should any doubts arise as to the true intent and meaning of any part of the foregoing Regulations, His Majesty's pleasure will be signified through the Secretary at War.

By His Majesty's Command,
HENRY HARDINGE.

CIRCULAR, No. 713.

WAR-OFFICE, 10*th August*, 1831.

SIR,

REFERRING to the 9th Article of the Explanatory Directions issued from this Office on the 20th November last, I have the honour to acquaint you, that in consequence of the very numerous Applications which have been made to the Secretary at War by Officers in the receipt of a higher Rate of Half-Pay than that of First Lieutenant, and with a view to lessen the amount of the Public Expenditure, His Majesty has been pleased to direct, that until further Orders the Colonels of Regiments shall not recommend *any* Officer for the Situation of Regimental Paymaster whose Half-Pay does not amount to at least Seven Shillings a day.

I have, &c.

(Signed) H. PARNELL.
